FVPC Announces New Mission Statement

XENIA, Ohio – Mar. 19, 2009 – The Family Violence Prevention Center of Greene County (FVPC) has launched its new mission. FVPC's new mission statement is: "We light the path to living violence free by responding, supporting, and providing safe housing to victims of family violence; by informing Greene County citizens of the impact of family violence; and by revealing ways to prevent and overcome its consequences." The mission statement was revised to reflect FVPC's broad scope of services and programs and better convey its holistic approach to domestic violence.

"We are truly excited about FVPC's new mission and look forward to focusing on our new mission objectives," says Donna Sizemore, executive director of FVPC. "FVPC has been around for 30 years and will continue to be the guiding light for the reduction of domestic violence in Greene County."
